Automatic Cleaner	[Brand / type]		
-------------------	----------------	--	--

Routine Maintenance

[Describe the weekly/monthly maintenance routine — e.g., "Test water chemistry weekly, clean skimmer baskets, backwash filter monthly, add salt as needed." If a service handles this, say so.]

Chemical Storage

[Where pool chemicals are stored. Safety notes.]

Winterizing / Seasonal

[If the pool is closed seasonally, describe the process or who does it.]
